Body Wash with Rooibos Extract

When you apply this body wash, a rich moisturizing and nourishing lather containing Marula oil, Rooibos extract and Rooibos foliage, is produced. It also has Vitamin E and natural agents, essential for healthy skin. The Rooibos extract softens and calms the skin and is celebrated for its anti-ageing and wrinkle decreasing properties. It also rejuvenates and relieves irritation, and helps you to maintain a smooth complexion.

Bath Smoothie

When added to hot running water, our bath smoothie creates a nourishing and restorative bath time experience. Your senses will be awakened by the Kigelia and Calendula extracts in the smoothie. Calendula, extracted from the Marigold flower, is renowned for its anti-inflammatory, anti-oxidant and antiseptic properties, and also acts as an antiviral skin remedy that heals inflammation while soothing dry and itchy skin. The smoothie also balances oily skin and reduces sun damage while restoring skin to a state of general well-being.

2 Tone Cream Bath

Create an invigorating and moisturizing bathing experience by adding this product to your running bath. It contains Kigelia, extracted from the African sausage tree, and Marula oil. Kigelia slows down the growth of over-productive skin cells that often cause irritation, while fighting bacteria and micro-organisms. Its anti-oxidant properties ensure a more toned and smooth complexion. Marula oil, famously known as the miracle oil of Africa, is very nutritional and high in anti-oxidants, making it an excellent agent to combat free radicals. This luxurious cream bath will leave you rejuvenated.

Body Mask

This cleansing product nourishes the skin, leaving it soft to the touch and with a radiant glow. It contains Green clay, Kaolin, Baobab oil and Aloe Vera extract. Green clay cleanses and tones the skin, while Kaolin removes impurities and absorbs excess oiliness. Baobab oil, an excellent source of omega 3, 6 and 9, acts as a non-clogging moisturizer. Its anti-ageing properties will ensure enhanced skin elasticity. Aloe Vera extract is added to the body mask to boost moisturizing and to provide relief for sunburn. Aloe Vera also improves circulation, it reduces scarring and accelerates wound healing.

Double Hydrating Lotion & Gel

An exceptional product that has revolutionized the process of moisturizing skin. It works twofold: The gel hydrates while the lotion seals the moisture. The powerful extract combination of traditional African Rooibos and Bulbine works in unison to heal, repair, soothe and rejuvenate your skin. Rooibos softens and soothes the skin, doing away with inflammation and irritation, providing amazing anti-ageing and anti-wrinkle properties.

Foaming Bath Oil

Our foaming bath oil combines the luxurious feel of bubbles with the moisturizing benefits of Kigelia and Calendula oil extracts. The sumptuous foam pampers your skin until it is relaxed. Hot water activates the unique combination so that your skin benefits from the medicinal properties. Kigelia extract limits the over-production of skin cells that often causes irritation, while the anti-oxidants therein promote a toned and smooth complexion. The oils help to reduce sun damage and offer anti-inflammatory and antiseptic benefits. Calendula also acts as an antiviral remedy and heals inflammation while balming dry and itchy skin.

Hand and Body Lotion

This Honeybush and Aloe Vera lotion is far more than a simple moisturizer – it protects fatigued skin against exposure while hydrating and revitalizing at the same time. Honeybush, a naturally sweet, caffeine free indigenous tea, contains little tannin and is rich in minerals that help combat the ageing effects of free radicals. Aloe Vera oil is a potent moisturizer and contains a powerful healing emollient that corrects dryness and scaling of the skin. It also relieves sunburn and improves circulation, reducing scarring and accelerating wound healing.

Foot & Heel Balm

Tired and stressed feet, as well as stiff, swollen joints, will benefit significantly from this hydrating product. Arnica extract and Aloe Vera oil are key components of this amazing treatment, with the Arnica extract relieving pain, swelling and discoloration of joints. It also is a great anti-inflammatory, anti-bacterial antibiotic. Dry, scaling skin will be a thing of the past, thanks to the Aloe Vera's potent moisturizing and healing emollients.

Conditioning Shampoo

Perfect for all hair types, our conditioning shampoo offers therapy for tired, stressed hair and scalp. The combination of Marula oil, Baobab oil and Rooibos extracts, leave hair naturally healthy and nourished. Marula oil, with its high nutritional value and powerful moisturizing agents, helps to fight free radicals and is high in anti-oxidants. Vitamin A, D, E and F in Baobab prevent oily or greasy residue on hair and high amounts of Omega 3, 6 and 9 render it perfect as an intensive hair and scalp treatment. Additional Rooibos extract will further soothe and calm an irritated scalp. For the best results, use in conjunction with our Natural Herbal Indigenous Conditioner.

Body Scrub

This gentle exfoliation scrub nourishes while it cleanses. By gently removing dead cells, it relieves and restores congested skin. Rooibos extract, together with Vitamin C and E, are integral ingredients which will soften and relax the skin, relieve any irritation and rejuvenate pores. Added Vitamin C keeps skin healthy and toned, while Vitamin E fights free radicals and provide defence against wrinkling and ageing. A potent formula against daily stress that will leave your skin invigorated and with improved elasticity.

Hair Conditioner

An excellent therapy for tired, stressed hair and scalp. The combination of oils extracted from Marula, Baobab and Rooibos, guarantees naturally healthy and nourished hair. With its high nutritional value and potent moisturizing feature, Marula oil helps to fight free radicals. Baobab oil contains Vitamin A, D, E, and F, which prevent an oily residue on hair. Due to its richness in Omega 3, 6 and 9, Baobab oil is an outstanding agent for intensive hair and scalp treatment. The Rooibos extract in this product will help to soothe and relax the scalp.

Body Wash with Vitamin E Pearls

The suspended jojoba beads in our luxurious Marula oil lather will not only delight the eye; it will leave your skin radiant and beautiful. Marula oil, aptly known as the miracle oil of Africa, is high in nutrition and anti-oxidants, and contains potent moisturizing agents that combat free radicals. Our body wash also contains Vitamin E and oleic acid, essential for healthy skin. When massaging the jojoba beads into your skin, they moisturize and hydrate the skin, thereby replenishing your skin's oil content and enabling it to retain elasticity.
